## Press Release

**Marcia Resnick**

*Bad Boys: Punks, Poets and Provocateurs*

**January 14 – February 26, 2011**

Reception Thursday, January 13, 2011

**Bad Boys** are the punks, poets and provocateurs who were photographed by Marcia Resnick in New York City in the 1970s and '80s. Exploring aggression, fame, sexuality and the ironic gamut of interpretations for the word *bad*, from *evil* to *naughty* to *cool* to *good*, **Bad Boys** extends the meaning of the word "boys" beyond that of male child. These visually evocative portraits of *enfants terribles* include Divine, Johnny Thunders, Jean-Michel Basquiat, John Belushi, Quentin Crisp, Klaus Nomi and others whose clout add to the mythology of their *badness*.
